

Education opportunity for Modules starting May 2020

The SNHS have secured funding from the Scottish Funding Council's Upskilling Fund. The aim of this funding is to upskill the Scottish workforce. We are reaching out to organisations outside of the NHS and **100% of module fees will be paid**

These modules are all online and several have two face-to-face days; attending these is optional.

If you are a nurse or an allied health professional, you are eligible to apply.

Module choices and links to module information

Module Number	Module title	Module levels	Available places
PN50155	Behaviour Change 2 days compulsory attendance	9** & 11	15 across both levels
PN50156	Long Term Conditions	9** & 11	15 across both levels
NB30127	Mental Health for primary care and Community settings	9 & 11**	15 across both levels
NB30107	Meeting the needs of older people in diverse settings	9	15 across both levels
PN50107	Meeting the needs of older people in diverse care settings	11	
NB30130	Work based Skills and Innovation Practices	9	15 across all levels
NB40131	Work based Skills and Innovation Practices	10	
PN50159	Work based Skills and Innovation Practices	11	
NB30123	Academic recognition for professional learning	9	10
PN50141	Academic recognition for professional learning	11	across both levels

**Links to these levels are not yet available on our website but can be requested. Content is the same as available level, but assessment will differ.

What level should I choose?

If you have a degree, or you have equivalent degree-level (level 9) study from CPD, you can choose to study at level 9 or 11 (level 11 is Master Level). If you have a diploma, you can choose level 9.

How do I apply?

To apply, email nursing-health-postqualifying@dundee.ac.uk. Please supply **your name, your role, place of work**, and your **module choice** and **module number**. When funding is approved you will be sent an email including instructions on 'how to apply'. The funding is on a first come, first serve basis. You need to complete the application **promptly** and include **evidence of your relevant qualifications**. **Please apply by 8th April 2020**

For questions, please email r.cetnarskyj@dundee.ac.uk

We would also welcome suggestions from organisations, as to further training needs. Other schools in the University are developing additional courses. These will be launched shortly.
