Collection instructions

- Ensuring the safety of yourselves and our colleagues is our first priority, so please note that we won't be able to allow you on site until your agreed collection time slot.
- When you arrive at the collection point, please reverse park and take extra care as there are large goods vehicles also using the site.
- Please remain in your vehicle at all times unless otherwise instructed by a team member and ensure any children do the same - failure to do so will mean that we'll unfortunately have to ask you to leave the site without your order.
- Once your order is ready, please pick it up immediately and then leave the customer parking area.
- For everyone's safety we are following government advice on social distancing measures and regrettably, cannot offer assistance in moving your order to your car. We also ask that you bring a pen to sign your invoice.
