

Peek into Parksprings

Tina Chapman
Reginal Director

Deputy Manager
Michelle Carrigan

Hi everyone,
We hope you are all safe and well. As you are aware the home is in Lock down with the Covid-19. We just wanted to keep up with communication between yourselves and our residents. - We are all OK. This blog will go out weekly to try and let you peek into Parksprings and see the latest events.

Some of the residents have written you wee messages to show you there love and how much they are missing each and everyone of you.

News Update
We hope to start work on Rosie's Den this week with new bedding plants, lights and new garden planters for the walls. Residents are all looking forward to getting outside and provided the frost keeps away we will mean business. Any spare plants or garden decoration very welcome.

Fighting Covid – 19 – We will win

Staff are working hard going above and beyond to help your loved ones through this difficult time. We are following health guide lines – we are updating everyone – We are doing everything we can to fight this Covid -19 . Keeping spirits high , Keeping everyone safe, busy and mobile.

Thank you to each and everyone for all your kindness and support - helping us all Stay safe and reach the other side.

Barbara has taken up art work and is working her way through the nature pictures

Good news stories

Alison Hawley from Avon donated lots of Avon toiletries for our residents. Huge thank you to Alison and Avon for such a kind donation.

Good News Story

Stephen Lynch from William Grant & Son Distillers Ltd donated 5 boxes of hand sanitiser to the home. In 2019 the company was once again named distiller of the year by the International spirits Challenge. The company has received the highest accolade of distillers of the year from either the International Wine and Spirits competition or the International Spirits Challenge 12 times in the last 13 years – These consistent wins demonstrates the exceptional quality of liquid produced by the company, which underpins all of its brands. All at Parksprings would like to thank Stephen and William Grant & Son Distillers for the very kind donation in such difficult times.

STAY SAFE

Easter Challenge Winner
Sonny Durbin 2nd Prize winner in competition bagged another prize from Councillor Tom Castles deputy Provost and his wife who donated an extra £20 to Sony for his wonderful creation.

Sonnys family reported – He immediately said he wanted to half it with big brother Kielan. (Kielan's he's the one at the back with tears in his eyes). Their Mum and Dad were crying too. Very emotional !! In such a difficult time the competition has brought some happy memories to share. Both boys are delighted with the extra prize and send thanks to Tom and his wife.

We are keeping your

Meet Margaret and her scare-crow friend Margaret - who with the help of Agnus, Billy, Nancy, May, Margaret and Eddie planted bulbs and created a miniature garden in the lounge. The sign BEE HAPPY was placed with Margaret the scare crow..

New recruits to our Bowling Group who are fighting back COVID -19
