

Enabling Support for End of Life and Palliative Care & Thinking Ahead using a Person Centred Approach to ACP

TARGET AUDIENCE: Clinicians working in Primary Care

DATE & TIME
Thursday 21st May
2pm

SPEAKERS

Andrew Gillies, Spiritual Care and Bereavement Lead, Golden Jubilee National Hospital

Dr Graham Whyte, Consultant in Palliative Medicine / Associate Postgraduate Dean for Grief and Bereavement, Marie Curie Hospice Glasgow / NHS Education for Scotland

Yvonne Millerick, Heart Failure Palliative Care Nurse Consultant Lecturer

Anticipatory Care Planning (ACP) is a person-centred, proactive, "thinking ahead" approach, requiring supported shared decision making and planning ahead. Palliative and end of life care is for people with many illnesses, conditions and frailty and includes physical, emotional, social and spiritual care. We will learn from palliative care and spiritual care experts during this valuable webinar.

This continues our ongoing series of webinars.
