

Essentials of Safe Care: Supporting Implementation

Essentials of Safe Care (EoS) - supporting the safe delivery of care in any setting.

Join us on the **14th March 11:30-13:00** to celebrate the **1st anniversary** of the launch of **the Essentials of Safe Care**. This session, chaired by Ruth Glassborow, Director of Improvement, Healthcare Improvement Scotland, will have a spotlight on a key driver, **Leadership and Culture**.

By attending this session you will have the opportunity to:

- hear about progress and development of the Essentials of Safe Care over the last year
- learn how the Essentials of Safe Care can support the first steps of your safety improvement journey in understanding your system, and
- hear about the Civility Saves Lives work and the impact this can make in supporting leadership and culture change.

Joanne Matthews, Head of Improvement and Safety, Healthcare Improvement Scotland will reflect on how the Essentials of Safe Care have been embedded in local and national improvement work and plans for the future.

The State Hospital for Scotland and Northern Ireland will share their experiences of **'Using the Essentials of Safe Care to build understanding of a system'**.

Spotlighting Leadership and Culture we will hear from Dr Chris Turner, co-founder of **Civility Saves Lives**, who will explore **'Why Civility Matters in a Complex World'** through raising awareness of the impact of incivility on those receiving or delivering care.

How do I join?

[Click here to register](#) and you will receive a confirmation email of your place including webinar joining details.
