# **PARTNERS FOR INTEGRATION EVENT**

## **INFLUENCING CHANGE: INFORM, COLLABORATE, INNOVATE**

**8TH OCTOBER 2024 9:30- 3:00**  
**RENFIELD CENTRE, GLASGOW, G2 4JP**

The Partners for Integration team are hosting an event; join us as we showcase & celebrate collaboration and innovation across Scotland's HSCP areas. People are at the heart of integration, whether that's people **who access care and support**, colleagues across HSCP sharing knowledge and skills and the independent and 3rd sector care providers delivering valuable services. Scottish Care's **Partners for Integration** team plays a vital role in the delivery of integration; building relationships with key stakeholders to create a shared vision, supporting the delivery of local and national improvement programs, contributing to strategic planning and local engagement

Join us for the opportunity to meet the Team and the partners they work alongside, hear about some of the innovative work being done collaboratively with those partners and the impact and value the team bring to the HSCPs across Scotland.
