

# CARE TECH ASSEMBLY AWARDS

## AWARD GUIDELINES

# AWARD CATEGORIES

## **Inclusive Tech Champion Award**

*(Individual or Team)*

Recognising outstanding leadership, advocacy, or innovation that significantly improves access to and use of technology by marginalised groups, empowering citizens and communities.

## **Care Tech Innovation Award**

*(Individual or Team)*

Recognising individuals or teams demonstrating outstanding creativity and effectiveness in adopting innovative technologies or practices, directly enhancing care delivery and citizen wellbeing.

## **Ethical and Green Tech Award**

*(Team or Community Group)*

Recognising a team or community initiative demonstrating outstanding commitment to ethical and environmentally responsible use of technology, benefiting citizens and communities.

## **Care Tech Integration Award**

*(Individual or Team)*

Recognising organisations or teams who have successfully embedded care technology type roles into multidisciplinary teams, sustainably delivering clear benefits to individuals, communities, and the wider care system.
